EDUCATION

University of California, Merced, Merced, CA

Doctoral Student, Psychological Sciences, 2015-present
Faculty Advisor: Linda Cameron, Ph.D.
Area of Study: Health Psychology

University of California, Merced, Merced, CA

Bachelor of Arts, Psychology, June 2012
Minor: Political Science

Reedley College, Reedley, CA

Associate of Arts, Social Science, August 2010
Cum Laude

RESEARCH EXPERIENCE

United States Department of State - Office of the Curator

Research & Survey Designer **September 2016 to May 2017**

- Created surveys and analyzed data on the educational initiatives related to the Diplomatic Reception Rooms in Washington DC.
- Supported the work of the Senior Advisor for Education, Marketing and Outreach of the Diplomatic Reception Rooms
- Part of the Virtual Student Foreign Service (VSFS).

University of California, Merced - Health Communications and Interventions Lab

Research Assistant **August 2011 to August 2015**

- Analyzed data for ongoing health related studies.
- Collected and organized data for graduate student projects.
- Led workshops covering R and Amazon Mechanical Turk.
- Performed in-depth literature reviews on health related topics.
- Managed a team of 7 coders on an emotional expression project including scheduling, inter-rater reliability, and preliminary results generation.
- Organized and designed the cameronhclab.com website.

University of California, Merced - Dr. Sarah Depaoli

Research Assistant **June 2014 to August 2015**

- Setup cluster computing systems on Amazon Web Services for graduate student simulation projects.
- Organized a distributed computer system to cost effectively run computationally intensive models.
- Prepared documents and figures for publication in L^AT_EX.
- Designed a system for removing MPlus errors from simulation data.
- Assisted graduate students with data cleaning and other tasks as assigned.
- Organized and designed the sarahdepaoli.com website.

TEACHING
EXPERIENCE

Teaching Assistant Experience

Fall 2017 Psy 156 Social Psychology

Spring 2017 Psy 159 Personality Psychology

Fall 2016 Psy 10 Analysis of Psychological Data

Spring 2016 Psy 158 Positive Psychology

Fall 2015 Psy 156 Social Psychology

Guest Lecturing Experience

Fall 2017 Psy 156 Social Psychology

Lecture: Love and Romantic Relationships

Spring 2017 Poli 213 Experimental Methods Political Science

Lecture: Mechanical Turk Best Practices and Methods

Spring 2017 Psy 159 Personality Psychology

Lecture: Measures of Personality Traits
